FOUNDATION

The "I Love U Guys" Foundation Community Place

As a strong partner on the 285 Corridor, The I Love U Guys Foundation has a new project. The "Community Place" in Bailey. Phase One includes building a Community Pavilion, and having some Learning and Adventure Trails built. We're relying entirely on Donors to fund the pavilion one brick at a time. Here's a chance to put your name or message in concrete, in a place we all can share.

We ask for a $100 donation for each brick, and another $50 if you also want a logo or image engraved on the brick.
The chart on the right shows how funds will be allocated.

Donor Information:

Name: _____Phone: _____

Address: _____

City, State Zip: _____

Email address (optional): _____

(This will not be shared, but we would like to email you periodic updates of progress, complete with photos!)

Enclosed is ☐ $100

☐ $150 (Logo: Please attach a large, clean copy of the logo or email to bricklogo@iloveuguys.org)

☐ $117 (this covers the cost of the brick and increases your donation to the pavilion)

Thank you for helping! Please complete this form and mail it with your donation to: The I Love U Guys Foundation, P.O. Box 1230, Bailey, CO 80421.

4x8 Brick:

Each line contains 18 characters, and spaces count as characters. If you're adding a logo or image, draw it on the form below in the approximate size you'd like to see it, and then write your words around it. We'll need either a clean copy of the image or a medium resolution digital file.

This is a cool project. Let's have some fun!
